Ho'opili Newsletter

BRINGING OUR COMMUNITY TOGETHER

President's Message

**Tracy Tonaki*****President, D.R. Horton Hawaii*****Welcome to the inaugural issue of the Ho'opili Newsletter!**

Brought to you by D.R. Horton Hawaii, Ho'opili Community Association, and Hawaiiana Management Company.

As board president of Ho'opili Community Association and president of D.R. Horton Hawaii, I am pleased to introduce this inaugural newsletter as a way for us to share, connect and stay informed as our community continues to grow. This communication will serve as a helpful resource for important announcements, neighborhood updates, upcoming events, and gentle reminders.

Today, more than 3,400 families and households proudly call Ho'opili home. Our residents, many who are first-time homeowners, truly bring the community to life. From our locally owned small businesses and our community partners, to all of you, we are truly grateful for your trust and shared passion for making Ho'opili a vibrant place to live.

At the heart of this newsletter are the people who live, work, and thrive together in our community. While we are proud of the progress made in providing quality housing for Hawai'i's families, it is our residents, neighborhood volunteers and partners who allow our community to grow and flourish. This newsletter is an opportunity to celebrate those efforts by highlighting community stories, local events, association updates, and helpful tips.

Thank you for being a valued member of our community. Together, we will continue to make Ho'opili a wonderful place to call *home*.

Mahalo,

Tracy Tonaki
