D.R. Horton Hawaii Update

Approximately 3,600 families now call Ho'opili *home*, with more new neighbors planting their roots every day. D.R. Horton Hawaii welcomes all homeowners to a growing and vibrant neighborhood, where more new homes, parks, schools and gathering spaces are planned for the community.

Thanks to our Hawaii State Legislature, funding for the first Department of Education elementary school within Ho'opili has been secured. Planning and design has begun – stay tuned for more information and details as this new school comes to life!

NANAHEA

Nanahea at Ho'opili is now selling and offers detached single-family condominium homes ranging from three to five bedrooms and 1,092 to 1,859 sq ft of net living area. With six floor plans to choose from, each home includes a garage, private yard space, and a variety of upgraded features designed for modern living. Nanahea sales office and model homes are coming soon.
